European Logistics Platform

LOGISTICS IN TRANSITION

DATE 25 September 2019
REGISTRATION 15.30 with coffee
TIME 16.00 - 18.00 followed by a cocktail reception
VENUE Residence Palace, Rue de la Loi 155, 1040 Brussels

The first ELP event under the new term of the European Parliament is organised to address the key challenges facing the logistics sector, from digital transformation to sustainability, infrastructure and access to skills. The event is designed to create an open debate between industry and policy makers to find solutions to common problems and challenges.
